

Northern Rocky Mountain Science Center

Weekly Highlights

January 2010

I. Departmental/Bureau News

- **Upcoming**

USGS scientist Dan Fagre will present “The Changing View from the High Alpine” at a Glacier National Park “Brown Bag” Seminar on Tuesday, February 2 at the Park Headquarters Community Building in West Glacier, MT. For more information contact Dan Fagre at 406-888-7922 or dan_fagre@usgs.gov

- **Current.**

This month the USGS-Northern Rocky Mountain Science Center (NOROCK) celebrates its 10th anniversary with a new location and growing partnerships. The Headquarters has recently moved to a new location in Bozeman, Montana and is welcoming new faces as it brings in scientists from partnering agencies to strengthen the Center’s capacity in developing the scientific information needed to manage and restore the ecosystems of the Northern Rockies. For more information visit <http://nrmsc.usgs.gov> or contact Jeff Kershner, Center Director, at 406-994-5304 or jkershner@usgs.gov
